What's the score of Class 5-3?
Huh?
2nd in shat put far males and 3rd in females 2nd in 400m for both males and females, neither of which we come 1st
And they entred the sprint finals in both 100m and 200m
Well, what a rival In that case they're not far from us in total points
Must try to contain them

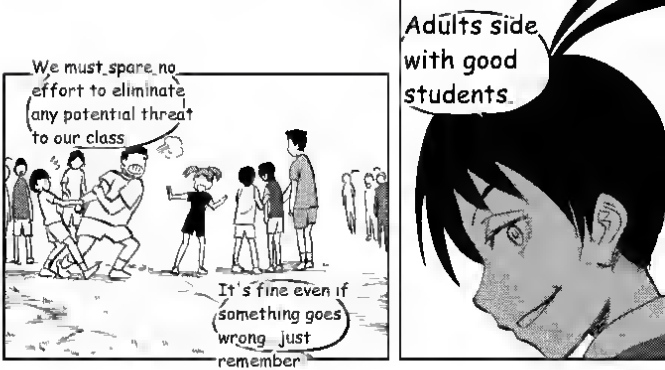
Haha, leave it to me Comrade Vice Prez



We must spare no effort to eliminate any potential threat to our class
It's fine even if something goes wrong just remember
